

ICEWERX DISPLAYS

WHO IS ICEWERX

Icewerx specializes in providing top notch digital advertising space and superior client services. We use only the highest grade digital displays available with the truest color formatting, which makes for a very high definition image. It is the clearest and most durable product available.

Digital Signage is a modern and effective way to increase the bottom line. Icewerx signs are an easy way to provide an interactive, attractive, commercial grade HD display to advertise any product, service or promotion. The average business sees a 20%-60% increase in sales by properly using digital signage.

We help maximize your return on your advertising budget by providing locations with the highest vehicle traffic, pedestrian traffic, clear visibility, and time and situation sensitive media.

Icewerx is based in Edmonton, Alberta. We pride ourselves in being sponsors of local businesses' and community events. Additionally Icewerx works with several charities as a way of giving back to the community.
